Séjour Linguistique at L'Ecole de la Mhotte

6 weeks of intensive French lessons from the 9th May to the 17th June
and from the 5th September to the 14th October 2016

*After more than
15 years' experience of hosting
linguistic homestay courses,
in response to demand,
L'Ecole de la Mhotte is creating
a new course of 6 weeks.*

Why choose Ecole de la Mhotte?

>>> As a Steiner-Waldorf school, the teachers concentrate on the individual needs of the pupils, always as a whole: head, heart and hands together.

>>> The students enjoy the rhythms and richness of life deep in the countryside, deep in the heart of France.

>>> They will benefit from being part of a small school but a big family!

During the 6 weeks, pupils will benefit from :

- 60 hours of French lessons: vocabulary, grammar, conjugation, current French speaking, oral and the written language.
- 90 hours of lessons *in French*; French culture, geography, singing, art and theatre.
- 5 hours reserved for student's own homework.

The Linguistic class will be part of the school like all other classes, but with specialist and experienced teachers.

They will be fully integrated into the life of the school and all its activities. There will be a 3-day trip to discover the mountains of Auvergne, the city of Clermont-Ferrand and opportunities to visit other nearby cities, Moulins, Vichy and Montluçon...

Why go on this linguistic journey?

>>> To learn French intensively in the mornings at school and in the evenings with the host family.

>>> To be part of a group (maximum 15 students) motivated to improve their French.

>>> To create, as a team, a theatre project with theatre professionals.

>>> To have an intensive life experience, away from home, and have the opportunity to get to know ourselves better, to have a unique social experience and to develop a different outlook on life.

>>> Simply to grow, to mature !

Value for money : 1800€, for everything; lodgings, lessons, outings and food included.
